IN RE: MILFORD MUNICIPAL TELECOMMUNICATIONS UTILITY	DOCKET NO. TCU-00-22
---------------------------------------------------------------	----------------------

ORDER APPROVING WITHDRAWAL OF APPLICATION FOR CERTIFICATE

(Issued June 13, 2002)

On July 18, 2000, the Utilities Board (Board) issued an order approving the application of Milford Municipal Telecommunications Utility (Milford), for a certificate of public convenience and necessity to provide local exchange service in Iowa. Under that order, the Board stated that a certificate would be issued to Milford to commence service when it gave notice to all affected local exchange carriers and when it had approved tariffs showing the rates, conditions, and terms of service it would be providing.

On May 28, 2002, Milford filed a request to withdraw its approved application. The Board notes that there is no record of Milford filing any tariffs with the Board, nor is there record of the Board issuing a certificate to Milford following the Board's April 19, 2000, order.

The Board has considered Milford's request to withdraw its application and finds that it is reasonable. Milford has not established local service in Iowa, nor does it have any Iowa customers who would be affected by its withdrawal.

IT IS THEREFORE ORDERED:

The request of Milford Municipal Telecommunications Utility to withdraw its application for a certificate of public convenience and necessity to provide local exchange service in Iowa is approved.
